Exhibition Description:

Srisasanti Syndicate gallery is pleased to announce group exhibition by 12 participating artists, "Vestige". The exhibition is on view at the Tirtodipuran Link from 9 July until 15 August 2021. This exhibition will feature 14 works exhibited for the first time.

Vestige means faded trace of what has passed. The exhibition offers an opportunity to pay attention to changes and new habits that have emerged from an uncertain period. Consisting of 15 works—14 paintings and 1 drawing-relief—from 11 Indonesian artists across generations who live and work in Yogyakarta, Bali, and Jakarta, Vestige aims to present works of art that reflect the processes or forms of change.

Along with this exhibition, **Kohesi Initiatives** art gallery will also present a solo exhibition "**Ritual Merilis**" by a contemporary artist Abenk Alter. The exhibition records the artist expressions and interpersonal moments that were released for caring for life. Kohesi Initiatives will also showcase a work presentation by two Bali based artists, Agugn and Sekarputi Sidhiawati in **Curio Room**.

Gallery Profile:

Srisasanti Syndicate was founded by ST. Eddy Prakoso in 1994 as an art gallery with the aim to “Initiate Global Appreciation” by consistently supporting and showcasing exciting artists.

The gallery focuses its attention on the presentation of established artists and the development of emerging young artists through its in-house programs. Srisasanti Syndicate continuously participates in various international art fairs and initiates collaborative programs with partner galleries and institutions from around the world.

Srisasanti Syndicate also often holds various non-exhibition programs such as book publishing, artist residency, artist talks, and creative workshops. The gallery represents and has collaborated with numerous household names of the contemporary art scene, such as Alfredo Esquillo Jr. (b. 1972), Heri Dono (b. 1960), Ronald Manullang (b. 1954), and Taher Jaoui (b. 1978).

Moreover, Srisasanti Syndicate also partners with talented emerging artists through a mutually beneficial art management program. The gallery works side by side with artists from a long-term perspective; enhancing the artists’ portfolio by providing continuous opportunities to have their works and ideas presented in both exhibition and non-exhibition format.

The presentations of Srisasanti Syndicate’s emerging artists are being undertaken by its junior gallery, [Kohesi Initiatives](#). Several exciting names have participated in the past, and some are even still participating in the art management program. To name a few, there are Atreyu Moniaga (b. 1988), Bob Sick Yudhita Agung (b. 1971), Galih Reza Suseno (b. 1990), Gatot Indrajati (b. 1980), Roby Dwi Antono (b. 1990), and Suroso Isur (b. 1983).
